

3:40 – Dan LaPlante

I live in Minneapolis, Minnesota and have been running for 8 years. I have paced hundreds of races in the past six years, usually the 1:30 - 1:45 groups for half marathons and 3:10 - 4:00 groups for full marathons. Typically, I come within 10 seconds under the pace group's goal time.

Registered participants we be lucky to join me for the Fargo Marathon to run the 3:40 goal time. I enjoy pacing because I like to help, and motivate others reach their goals! Your life will most likely be changed forever after running with me to reach your goal.
