

4:20 – Lindsay Paulson

Nearly 11 years ago, I stepped up to the start line of my very first race - the Fargo Marathon half - and since then have run multiple 5k and 10ks, half, and full marathons. I've been pacing about a year and a half now and really enjoy helping fellow runners achieve their goals. I love to run, I love Fargo Marathon, and I'd love to run Fargo Marathon with you this year!
