

5:00 – Tom Perri

I have over 100,000 lifetime miles and have run over 1,500 races. I am a two-time 50 state certified marathon finisher, and have only four states remaining before I am a three-time 50 state finisher. I especially love pacing/running with first time marathoners in the 5 hour group and motivating runners to finish the marathon in 4:59 something. You will have a fun journey along the way whether completing your first, tenth, or 100th marathon.
